## **Chapman and Cutler Partners with Ladder Up for Tax Assistance Program (TAP) Training**

*Chapman and Cutler opens its doors for third consecutive year to help Ladder Up train tax assistance volunteers.*

---

CHICAGO (January 7, 2011) – Chapman and Cutler LLP is proud to continue its involvement with Ladder Up's Tax Assistance Program (TAP) for the third consecutive year. Each Friday from January 7 through April 8, 2011, Chapman and Cutler donates office space and equipment for tax assistance training. Anyone in the city interested in volunteering to help less fortunate families and individuals with their taxes can come to our training center to get trained by Ladder Up professionals in tax basics.

More than 100 Chapman attorneys and staff have volunteered for TAP since 2005, and in the past two years, more than 1,200 Chicagoans have been trained by Ladder Up at Chapman and Cutler. These trainees then go on to volunteer at designated tax assistance sites throughout the city, helping numerous low income families and individuals apply for tax credits and file taxes.

In the spirit of encouraging volunteerism and promoting leadership in community involvement, Chapman and Cutler proudly supports Ladder Up's TAP. Thanks to our close relationship with Harris Bank and their generous support of Ladder Up, Chapman and Cutler has been a Ladder Up partner since 2005.
