

Rule 144A and Other Exempt Offerings

As part of our comprehensive corporate finance and securities practice, we have significant experience representing issuers and initial purchasers in connection with Rule 144A offerings of a wide range of equity and debt securities, including those issued in connection with securitizations and those constituting transactions that are part of registered exchange offers. We also represent issuers and initial purchasers in other exempt debt and equity offerings as well as offerings related to equipment and leveraged lease transactions.

Representative Transactions
