Margaret Seurync is a partner in Chapman's Asset Securitization Department and Banking and Financial Services Department. Margaret represents borrowers and lenders in a wide range of domestic and international financings. She has extensive experience advising banks, private equity firms, and other financial institutions in documenting and structuring syndicated and bilateral, secured and unsecured transactions. Her experience includes structured finance, asset-based financings, acquisition financings, cash flow loans, working capital revolving credit financings, and cross-border secured transactions spanning industries including health care, consulting services, manufacturing, and technology.

Margaret handles structured finance arrangements, including tax credit finance transactions and commercial paper programs. Margaret has broad experience advising private equity firms and multinational corporations in financing aspects of M&A deals. She also regularly advises clients with respect to issues arising in sales of distressed commercial loans in the secondary loan market, with a focus on real property loan transfers.

Prior to joining Chapman, Margaret was a partner at an international law firm.
