Ryan Melyon is a contract review manager on the Chapman Practice Innovations (CPI) team, focusing on contract review operations. He supervises and participates in confidentiality agreement review for firm clients, using and administering the CPI NDA+ service platform. Ryan works with CPI, firm attorneys, and clients to design, test, and provide feedback on legal service process improvements.

Before joining CPI, Ryan managed regulatory remediation teams for global banks and F100 companies at Axiom (now Factor). He draws from his experience in education and litigation to approach legal services practically. Ryan is a graduate of the John Marshall Law School.
