Cross Border Restructurings - A Cayman Islands Perspective CLE

Hosted Event

March 19, 2014

New York City

Chapman and Cutler presented a CLE course entitled "Cross Border Restructurings - A Cayman Islands Perspective" in the New York City office. The presentation explained the key restructuring tools available in the Cayman Islands, how such restructuring tools compliment US insolvency and restructuring tools, highlighted issues in respect of cross border cooperation between the US and Cayman Courts, and ultimately assisted US lawyers with issue spotting with respect to cross border restructurings involving Cayman companies.
