### Financial Women's Association Event

**Hosted Event**

**February 24, 2016**

New York, NY

Chapman's New York office was proud to host the Financial Women's Association event on February 24, 2016. The program featured executive leadership advisor and scholar, Elisabet Roriguez Dennehy, as the keynote speaker. Ms. Dennehy advises global companies on enhancing the performance and promotion of women to C-Suite and other corporate leadership positions. She also serves as lead faculty for the prestigious Women's Executive Leadership program offered by the Beard Institute at Duquesne University in Pittsburgh.
