Chapman Hosts Events for Book Release

Hosted Event

September 27 and 28

Washington, DC and New York

Chapman hosted two events in connection with the release of the second edition of our book, “Municipalities in Distress? How States and Investors Deal with Local Government Financial Emergencies,” by Jim Spiotto, Ann Acker, and Laura Appleby. The first event was held on September 27 at the firm’s Washington, DC office; the second event was held on September 28 at the Harvard Club in New York.

For more information, or to purchase the book, see our summary of updates to the second edition.
