UNDERWRITER'S COUNSEL IN THE FIRST TAX-EXEMPT GREEN BOND FINANCING FOR A SENIOR LIVING FACILITY.

Chapman served as counsel to the underwriter in a \$297 million first-of-its kind tax-exempt green bond financing of a senior living facility. The Zen-inspired life plan community is designed to achieve net zero energy status, will be built using sustainable construction materials, and will feature food recycling and other sustainability-minded upgrades. In addition to market-rate independent living apartments, the community will incorporate low- and moderate-income housing, as well as assisted living and memory support units.
