Chapman Assists American Securitization Forum with ABCP Analysis

News

June 10, 2011

Chapman attorneys Tim Mohan, Ken Marin, Jim Croke, and Bob Lockner assisted the American Securitization Forum (ASF) with the asset-backed commercial paper analysis in its comment letter to the six joint regulators, which was submitted on June 10, 2011. The joint regulators recently proposed credit risk retention provisions that could negatively impact the ABCP market (see our client alert on the subject here), and ASF has responded on behalf of the asset securitization industry.
