Recognition November 2021

Chapman is proud to receive Bank of America Legal Department's 2020-2021 Pro Bono Award. We enjoy collaborating with our clients on pro bono projects for legal aid organizations and nonprofits, and we have ramped up our efforts in recent years by calling on our Chapman Practice Innovations team to develop scalable apps that help these organizations serve more people. We are honored to do this work and we are grateful to Bank of America for this recognition.
