Chapman Supports Essential Healthcare Workers Pro Bono Program

Pro Bono
May 2020

Chapman has joined the Chicago Bar Association's Wills for Heroes: COVID-19 Essential Healthcare Workers program to provide estate planning services to individuals serving on the front lines of the coronavirus pandemic. The program, a collaboration with the national Wills for Heroes Foundation, offers virtual clinics for essential healthcare workers and their spouses or partners to execute wills and powers of attorney for healthcare and property at no cost. Chapman attorneys also participate in Wills for Heroes clinics assisting emergency first responders with estate planning services.
