Illinois State Bar Association Recognizes Chapman for Pro Bono Service

Recognition July 2021

Chapman has been named the 2021 Illinois State Bar Association's (ISBA) John C. McAndrews Pro Bono Service Award recipient, after being nominated by one of the firm's pro bono partner organizations, the Public Interest Law Initiative (PILI). PILI works collaboratively with law firms, corporations, public interest law agencies, law schools and the judiciary to expand the availability of pro bono legal services across Illinois. The award recognizes the extraordinary commitment of individuals, bar associations, and law firms and corporate legal departments to providing pro bono services throughout the state of Illinois. Chapman supports our attorneys' pro bono work by regularly partnering with clients, legal aid organizations, and by calling on our Chapman Practice Innovations team's programming know-how to provide scalable technology solutions that expand access to pro bono services. We are grateful to the ISBA for selecting our firm to be recognized for this honor.
