# MetLife Recognizes Chapman for Diversity and Inclusion

**Recognition**  
**March 2019**

MetLife has once again recognized Chapman for inclusivity efforts spanning affinity group activities, mentoring and sponsorship opportunities, training and pipeline programs, and supplier diversity initiatives. On March 28, Chapman attorney Charles Calloway spoke on the topic of diversity sponsorship programs at the annual MetLife Annual Diversity Roundtable in New York. Following the roundtable, MetLife announced its annual diversity award winners. Chapman was one of four law firms honored—50 firms submitted details on their sponsorship programs and over 250 were asked to participate. Charles accepted the award on behalf of Chapman from Stephen Gauster, Executive Vice President and General Counsel of MetLife.
