Chapman Volunteers Participate in Spark-Chicago Lab

Community
October 27, 2020

Chapman attorneys and management team members—Jacquelyn Cerasuolo, Charles Calloway, Rebecca Fabian, Kathryn Maass, Sarah Andeen, Shannon Burke, and John Sterling—joined a remote meeting with middle school students participating in a Spark-Chicago lab to share their role at the firm, what a "typical day" looks like for them, and answer students' questions. Spark Program Inc. is a national nonprofit that develops programming that correlates professional membership, educational engagement, and future achievement with middle school students from diverse backgrounds. In 2020, Chapman increased its grant commitment to help fund experiential learning opportunities for Spark-Chicago students through virtual workshops and project-based mentorship programs with career professionals. Chapman attorney Charles Calloway serves on the Spark-Chicago Executive Board and was recently elected to the National Board of Directors of Spark Program Inc. Chapman attorney Rebecca Fabian serves as a Spark Ambassador and assisted in coordinating the lab on behalf of the firm.
